## SUPPLIES

PAF February 2021 Stamp Set - Clematis  
24 Pan Artists Watercolor Set  
Buffalo Plaid Stencil Builder  
Eastern Sky Crisp Dye Ink  
Watercolor Paper Trimmed to 3 ½ x 5 (trimmed after painting and stamping)  
Navy Blue Card Base 4 ¼ x 5 ½  
Foam Adhesives  
Vellum Strip for Sentiment  
Embossing Ink and Powder

## DIRECTIONS:

After stamping the image onto watercolor paper, apply the watercolor ink in the center of each flower with a strong color to water ratio. Allow to dry slightly and then pull the color from the center of the flower with a clean damp brush towards the outer edges of the petals. Dilute as needed for the variation in color you desire. Continue this process for the leaves and the background trellis. Apply more ink or more water as needed.

Let dry completely.

Using the Buffalo Plaid Stencil create a border around the image to "frame it".

Center your stamped image onto the card base using foam squares/adhesives.

Create your sentiment by stamping onto a strip of vellum with embossing ink and embossing powder. Heat set and then adhere the sentiment to your card.

**ENJOY YOUR CREATION AND THEN SHARE IT OR SEND IT!**
