Supplies

Altenew:

Precious Peony Stamp and Die Set
24 Pan Artists Water Color Set
Ultra Violet Crisp Dye Ink

Additional Materials:

4 $\frac{1}{4}$ x 5 $\frac{1}{2}$ Grape Jelly Bazzill
Dotted Card Base
Large Die Cut White Banner
Gina K. Amalgam Ink
Foam Adhesives
Liquid glue

Directions:

Begin by stamping the Peony image onto smooth watercolor paper with an indelible ink. (I use Gina K Designs Amalgam Ink.)

Color your flowers in a shade that will match the color paper you have chosen.

For this flower I did a simple watercolor without a lot of shading.

Once your image is completely dry, die cut the peony and the white banner.

For the banner, using an ink blending tool, create an edge around the banner with the coordinating dye ink.

Adhere the peony to the banner with liquid glue in such a way as to allow room for a sentiment stamped in the same coordinating color ink.

Adhere the banner to the center of your card base with foam adhesive.

ENJOY YOUR CREATION AND THEN SHARE IT OR SEND IT!
